Camp in a Day

Gear List and General Information Sheet

Please arrive at camp around 10 am.

Main Clothing Packing List:

Don't forget your swimsuit and towel and a change of clothes just in case. Be sure to bring comfortable closed toes shoes for the hike to the Rock Gardens. Flip flops and slides are a terrible idea for a mountain hike. Are you planning on trying to catch some crayfish? Be sure to bring footwear that can go in the creek.

Other Gear Packing List:

Please bring a completed camp health form, a Bible, bug spray, sunscreen, a water bottle, and hat. We will serve lunch and dinner, but you can bring your own snacks.

What Not to Bring:

- Cell phone for kids
- Hand-held electronic games
- Music player
- Alcohol
- Tobacco
- Knives (other than pocket type)

Digital Detox:

How do we teach our children that there is life outside of their phones, social media and video games? We take time to unplug! At Camp Hemlock, we are committed to being 100% unplugged while your family is at camp. One of our goals is to show them that not only can they have a blast without being plugged in, but also develop real and meaningful relationships with the people present at camp.

Phone Policy:

There is no cell phone reception at camp. There is a primary phone line for camp business and emergency use by the staff. We encourage parents to be fully present with their child. Camp is a special bonding time for parents and children unlike any other opportunity available during the rest of the year. Please do your best to clear your work schedule so that you can give your child the attention he or she deserves. There is a secondary phone line where personal calls can be made if kept to a few minutes, but we strongly encourage you to let the phone call wait and be with your child.
